

EDWARD WINSLOW COLONY

SOCIETY OF MAYFLOWER DESCENDANTS IN THE STATE OF FLORIDA

ANNOUNCEMENTS

The Edward Winslow Colony of Tallahassee, which presently has 43 members and 19 junior members, was established in 1977.

We have luncheon meetings starting at 11:30 a.m. on the second Saturdays of February and November. They are held at the Gadsden Art Center and Museum, 13 N. Madison Street, Quincy, FL. Before the lunch we have a tour of the museum to see the latest exhibits. We enjoy lunch meeting programs by state officers, authors and members; most are related to the Mayflower history or ancestors.

The Winslow Colony's outreach and education efforts are highlighted by annual presentations of the Mayflower story in schools and at the public library.

Please contact us for information regarding membership or meetings.
